HOLLACE CLUNY

BESIDE MYSELF-COFFEE TABLE

MADE BY BY CLASTE COLLECTION

A slab of marble appearing to float above a base of ultra-clear or bronzed glass. By hand shaping the underside of the marble slab this floating effect is a simple gesture that elevates the design in a subtle yet compelling manner. Available in either square or round and in two different heights the table can be placed alone or in combination with the "Remember Me" table.
