

CH401 KASTRUP CHAIR

MADE BY BY CARL HANSEN & SON

A minimalistic upholstered easy chair with a warm glow. Handmade on a beech wood frame; the legs and boomerang-shaped sides are of stainless steel. The chair is a welcome addition to any room. CH401 works equally well in groups and on its own, both in high-use public areas and in private homes. Designed by Hans J. Wegner in 1958.

Dimensions

24"W X 27"D X 30"H, Seat Height: 16"

Material Options

Made from beech, stainless steel, cold foam. Upholstered in the customer's choice of leather or fabric.
