

DROP SYSTEM DS 15.01

MADE BY BY LINDSEY ADELMAN

Inspired by utilitarian rows of bare bulbs on New York City's subway and the work of Piet Mondrian, Lindsey challenged herself to be reductive in the number of unique elements in this collection. Using brass tubing and mold-blown mini glass globes, her goal was to find the wild spirit within a seemingly rigid form.

Dimensions

Height: 15in / 38cm
Width: 60in / 152cm
Depth: 30in / 76cm
