

ELEA COLLECTION

MADE BY BY BOVER

ELEA lamps with their cylindrical and flat format as well as their glossy lacquered polyurethane materials, are absolutely contemporary and timeless products.

ELEA collection is an absolutely contemporary and non-temporal product because of its cylindrical and flat format. These products are made of polyurethane with a brilliant lacquered finish. The dimming versions have been created to offer a greater sense of comfort. Upper and bottom diffuser included. Elea collection is available in two sizes both for ceiling and pendant version.
