

## FINN DINING TABLE

**MADE BY BY SPEKE KLEIN**

The big brother to our extremely popular Finn coffee table design. We think you will agree that Finn's lovely lines and interesting frame legs lend themselves perfectly to dining. A slightly thicker profile complements the larger scale including a beautiful 1" thick solid wood top. Standard dimensions include tabletop diameters of 42", 48" and 60", and as always, customization is available.

### **Dimensions**
