

PETITS FOURS CABINET

MADE BY BY SPEKE KLEIN

The Petits Fours design combines the strength of a solid wood frame with the beautiful grain patterning of veneered panels. The cabinet is carefully finished on all sides making it suitable as a room divider. The doors conceal adjustable glass shelving for use as a sideboard or as elegant storage in a living room or office.

Dimensions

Console (2 doors): 47" W x 19" D x 39" H
