

SILO ATELIER COLLECTION

MADE BY BY LAMBERT & FILS

Consisting of the Silo Atelier 01, 02 and 03, the Silo collection inhabits many worlds at once, creating a striking metaphor for duality. Mysterious yet inviting, the true magic lies in how its rhythmic curves shape light and space around it.

Made using custom aluminium extrusions, the modular uplight-downlight creates a theatrical yet sleek composition.

Evoking the archetype of a traditional chandelier, the Silo Atelier models forges their way as a new type of 3-dimensional object.
