

A LOVE SUPREME

BY CLASTE COLLECTION

The Plaster version of this table explores the same shape of an extruded pentagon as the solid wood version. By separating the moment, on either side of the triangular base, where the two forms merge into one another, a striking asymmetry emerges that creates a piece which shifts its appearance constantly depending on the line of sight. Available in three standard sizes and several colour finishes the tables can be arranged as nesting tables to create multiple variations.

Dimensions

18 x 18 x 12.25 - 17.5 inches in height

28 x 28 x 12.25 - 17.5 inches in height

38 x 38 x 12.25 - 17.5 inches in height
