

BABY BRUCE

BY VOLKER HAUG

The result of a minor calamity, a fixed constraint, creative simpatico and a long history of friendship, Me and You is a collection of lighting objects by Melbourne based Volker Haug Studio and design practice Flack Studio. As the name suggests, Me and You speaks to the collaboration process, but also to the inherent interplay between light and space. With cast metal that frames the warm glow of a plate glass interior, Baby Bruce is a smaller version of the classic Bruce, with balanced proportion and robust form. Part of the family with Bruce, Bruce Alto, Bruce Highrise and Bruce Double.
