

BB.10.24

MADE BY BY LINDSEY ADELMAN

This 10 Globe Branching Burst is designed by Lindsey Adelman. Inspired by natural phenomena, Branching explores the visual tension that results from mixing hand-blown glass with machine-made metal parts. Working closely with an extensive group of local suppliers and master craftspeople has allowed the work to evolve naturally over the the past several years. This refined manufacturing process coupled with an adventurous approach to custom work drives constant innovation.
