

BEETLE BAR/COUNTER CHAIR SEAT UPHOLSTERED

MADE BY BY GUBI

Taking inspiration from the four-legged creature - the beetle, GamFratesi has been looking closely at its characteristic elements: shape, shells, sutures, rigid outside and soft inside. With its polypropylene plastic shell and seat upholstery, the Beetle Bar Chair has a light expression with additional comfort. Thanks to its wide spectrum of colour options and upholstery possibilities, the bar chair encourages for personalisation. Due to its unique design, the seat upholstery can also be changed with time to give the chair a different expression and new life to the interior decoration. The height of the bar chair contributes to its light expression, which makes it blend into any interior naturally and with grace. The comfortable yet dynamic design makes the Beetle Bar Chair suitable for multiple environments whether it is in the home or the workplace.
