BEETLE DINING CHAIR FULL UPHOLSTERED

BY GUBI

Designed by GamFratesi for Gubi, the Beetle Chair embodies the meeting between Italian and Danish design.The inspiration for the Beetle Chair was originally found in the insect world where GamFratesi had been looking closely at the anatomy and movement of the beetle: “The design of the chair reinterprets the characteristic elements of the beetles’ sections: shape, shells, sutures, rigid outside and soft inside".
