

CHADWICK HIGH TASK

MADE BY BY KNOLL

One chair. Multiple functions. Perfect for working, meeting or training. Chadwick is a new definition of affordable seating. Designed by Don Chadwick. Smart. Comfortable. Easy. Accessible. Just Right. Drawing upon 30 years experience in designing award-winning furniture, Don Chadwick has created a chair that is refreshingly simple. Innovative Materials. Principle components are light injection-molded forms that make up the frame, arm and base. Ships fully assembled. 10-year, multi-shift warranty.
