

DODECA

BY MATTHEW MCCORMICK STUDIO

Dodeca, a nod to the Greek word for 12, is a contemporary chandelier forged with facets that interact wonderfully with its ambient light - a seemingly counterintuitive balance against the more industrial, inner band of illumination. Using high density, high output LEDs, it is a fixture known for coming to life when turned on and an equally striking sculpture at rest.

Dimensions

28" Diameter, 36" Diameter and 46" Diameter

Material Options

Brushed brass, brushed copper and silk black

Lamping

Integrated LED strip 22W
915 lumens
2700K
CRI > 91
Phase dimming
50,000 lifetime hours
