

## DODECA

**MADE BY BY MATTHEW MCCORMICK STUDIO**

Dodeca, a nod to the Greek word for 12, is a contemporary chandelier forged with facets that interact wonderfully with its ambient light - a seemingly counterintuitive balance against the more industrial, inner band of illumination. Using high density, high output LEDs, it is a fixture known for coming to life when turned on and an equally striking sculpture at rest.

### **Dimensions**

28" Diameter, 36" Diameter and 46" Diameter

### **Material Options**

Brushed brass, brushed copper and silk black

### **Lamping**

Integrated LED strip 22W  
915 lumens  
2700K  
CRI > 91  
Phase dimming  
50,000 lifetime hours
