

## MEDIAN 2 PENDANT

### **BY APPARATUS**

The translucent alabaster planes of the median shapes are intersected by a fluted brass form, referencing traditional Middle Easter Jewellery while pushing it through a futurist lens. The stone glows from a light source that remains hidden, illuminating the relationship between the solid and the permeable.

#### **Dimensions**

35" W, 14" D Height to order. Minimum height 36". Includes up to 85".
