

ORBIT TRIO

BY ATELIER 001

Trio for three, a unique ceiling light composed by a cluster of lighting components. Combining Lacquered brass plates and finely brushed brass framework, the Orbit Trio ceiling light is softly illuminated with LED elements from within.

This sculptural piece sits elegantly in both residential and commercial interiors. Please note that with each handmade process being slightly random, every result is individual.

Dimensions

Width 160cm (63") | Height 115cm (45.3") | Depth 50cm (19.7")
