

## PEARL PENDANT

**BY ROLL & HILL**

Within the shell of an oyster and out of sight of the world, a grain of sand is turned into a pearl, resulting in one of nature's most opulent artifacts. The new Pearl collection is beauty from within. Handblown Italian glass forms an outer shell that masks an internal handblown "pearl." Layered and rich, Pearl will take you back to the elegance of the 80s. The pendant speaks for itself.
