## HOLLACE CLUNY

## **SPUN SCONCE**

## MADE BY BY LADIES AND GENTLEMEN STUDIO

As if designing jewelry, Spun was created considered how each lighting component could complement the other to create tidy elegant compositions. Spun features a polished brass, matte black, or glass shade in frosted glass, cream, or rust which encases an exposed globe light bulb. An adjustable white interior reflector allows the bulb to sit in the housing like a precious stone.
